Service Learning Projects

Sustainable Transportation on Campus and In The Community. Over 100 students in 16 teams researched components of a sustainable transportation system for the IU-Bloomington campus and surrounding community. Students interviewed experts at peer institutions, in city and state government, and with relevant NGOs, and also went on field trips to investigate challenges and solutions. Their work was presented to decisionmakers from IU-B, City of Bloomington, and the State of Indiana, among others. Spring 2024

IU Health Sustainability: Greening the System and Promoting Community Resilience. Nearly 100 students in 20 teams researched components of a healthcare system sustainability program, interviewing nearly 50 key informants at exemplar systems across the country and internationally. Topics included, *e.g.*, reducing operating room emissions, environmental health services and chemicals, healthcare system-based community farms, building energy and efficiency, and grant-based funding sources. Spring 2023

IU Center for Rural Engagement's Sustaining Hoosier Communities – Washington County. Students developed proposals on multiple projects identified by the residents of Washington County, researching connections with small town well-being and resilience and traditional festival revitalization, youth financial literacy programs, youth leadership programs, programs in entrepreneurship and business development for recent high school graduates, park revitalization, and bookstore presence in small communities, and proposing new programs and approaches. Spring 2021

IU Renewable Energy Project. In support of the IU Integrated Program on the Environment- Environmental Resilience Institute Joint Task Force and SustainIU, students conducted secondary source research as well as interviews with key informants on potential components of a carbon neutrality plan for the IU-Bloomington campus, as well as economic impact of renewable energy alternatives. Fall 2021

United National Global Compact Social Sustainability Project. Interviews with UN Global Compact participants re: environmental impact, climate change, human rights impact assessments, quarterly reporting, and non-state-based grievance mechanisms. Spring 2020

IU Dining Unlimited Meal Plan Project. Researching the health and nutrition, sustainability, and financial impact of creating an 'all you care to eat' meal plan for IU students. Spring 2020

Environmental Resilience Institute Indiana Business Case Study Project. Interviews with eleven businesses based in Indiana or with a substantial Indiana presence on issues of climate resilience and sustainability initiatives. Fall 2020

IU Commitment to the Real Food Challenge. Researching transition to 25% "real food" (local, ethical, sustainable, and fair) by IU Dining with final presentation at IU Food Summit. Spring 2019

IU Zero Food Waste Project. Researching reducing food and plastic waste for IU Dining. Spring 2018

Cummins Southeast Indiana Composting Project. Researching feasibility of a corporate commitment to composting for Cummins' southeast Indiana campus. Spring 2017

RentRocket Utility Usage Data Project. Researching how to obtain utility usage data for Bloomington's multifamily housing units to support start-up rental database measuring sustainability metrics. Spring 2017

Representative Cases

Baskin v. Bogan, *Fujii v. Pence*, *Lee v. Pence*, 766 F.3d 648 (7th Cir. 2014), *cert. denied* (affirming district court ruling that found Indiana's law banning same-sex marriage unconstitutional)

Baskin v. Bogan, *Fujii v. Pence*, *Lee v. Pence*, 12 F. Supp. 3d 1144 (S.D. Ind. 2014) (striking down Indiana's law banning same-sex marriage and marriage recognition as unconstitutional) (counsel of record on both *Fujii* and *Lee*)

In Re Adoption of L.D., 938 N.E.2d 666 (Ind. 2010) (setting aside adoption decree and remanding to trial court for further proceedings) (pro bono counsel on adoption without notice) (oral argument)

Stanley v. Walker, 906 N.E.2d 852 (Ind. 2009) (allowing evidence of medical bill write-offs to prove reasonable value of plaintiff's claimed medical expenses) (as *amicus* counsel) (oral argument)

P'Pool v. Indiana Horse Racing Commission, 912 N.E.2d 448 (Ind. Ct. App. 2009) (administrative law and regulatory enforcement)

In the Matter of Adoption of D.C., 887 N.E.2d 950 (Ind. Ct. App. 2008) (setting aside adoption decree and remanding to trial court for further proceedings) (pro bono counsel on adoption without notice) (oral argument)

Brinkman v. Bueter, et al., 879 N.E.2d 549 (Ind. 2008) (medical malpractice case addressing statute of limitations)

Shady v. Shady, 858 N.E.2d 128 (Ind. Ct. App. 2006), *transfer denied* (addressing international child abduction)

Holton v. Indiana Horse Racing Commission, 398 F.3d 928 (7th Cir. 2005) (administrative agency accused of civil rights violations)

Webb, et al. v. Toney, 813 N.E.2d 1223 (Ind. Ct. App. 2004), on rehearing 2005 WL 1125188 (May 13, 2005) (medical malpractice addressing recovery under Indiana's statutory cap on damages)
