

CURRICULUM VITA

Name: **Munirpallam A. Venkataramanan,**
Executive Vice Provost for Finance, Budget, and Strategy
Jack R. Wentworth Professor of Business

Address: Office of the Provost and Executive Vice President
Indiana University
107 S. Indiana Avenue, Bryan Hall 100
Bloomington, Indiana 47405

Education: Texas A&M University Ph.D. 1987 Business Analysis
Texas A&M University M.S. 1984 Business Computing Science
University of Madras B.E. 1980 Mechanical Engineering

Academic Appointments:

May 2021 - Present
Executive Vice Provost for Finance, Budget, and Strategy, Indiana University
Bloomington, and Jack R. Wentworth Professor of Business, Kelley School of
Business

July 2016 – May 2021
Vice Provost for Finance and Strategy, Indiana University Bloomington, and Jack R.
Wentworth Professor of Business, Kelley School of Business

August 2012 - June 2016
Vice Provost for Strategic Initiatives, Indiana University Bloomington, and Jack R.
Wentworth Professor of Business, Kelley School of Business

July 2009 - August 2012
Associate Dean, Academic Programs, Kelley School of Business and Jack R.
Wentworth Professor of Business

July 2005 - June 2009
Lawrence D. Glaubinger Professor of Business Administration and Chair,
Undergraduate Programs, Kelley School of Business, Indiana University
Bloomington

August 1998 - August 2004
Chair, Operations & Decision Technologies Department, Kelley School of Business,
Indiana University Bloomington

August 1998 - Present
Professor of Decision Sciences, Operations & Decision Technologies Department,
Kelley School of Business, Indiana University, Bloomington

August 1991 - August 1998
Associate Professor of Decision Sciences, School of Business, Indiana University
Bloomington

August 1987 - July 1991

Assistant Professor of Decision Sciences, School of Business, Indiana University
Bloomington

Other Positions:

August 1980 - December 1982:

Production Planning and Control Engineer, Westerworks Engineers, Ltd., Mumbai, India

SERVICE:

University Service:

- 2020-Present University and Campus COVID-19 Response Teams:
Chair, COVID-19 Campus Fiscal Planning Committee, IUB
Chair, COVID-19 Academic Bridge Committee, IUB
Chair, COVID-19 Project Management, IUB
Member, COVID-10 University Financial Planning Working Group
Member, Campus Restart Executive Group, IUB
Member, Critical Response Unit, IUB
Member, 360 Degree Student Equity Audit Team, IUB
- 2019-Present Campus Lead, IU-EdX Global Online Learning Initiative
- 2019-2020 Member, President's University Rankings Group, Indiana University
- 2019-2020 Member, Provost's Residential Housing & Enrollment Group, Indiana University Bloomington
- 2019-2020 Chair, Innovation Center Working Group, Indiana University Bloomington (a campuswide multi-disciplinary design-to-commercialization makerspace and business incubator for students)
- 2019 Chair, Search Committee for Executive Dean of College of Arts and Sciences, Indiana University Bloomington
- 2019 Chair, Student Health Center Scope of Care Task Force, Indiana University Bloomington
- 2017 Chair, Review of Responsibility Centered Management (RCM) Model Task Force, Indiana University Bloomington
- 2017 Chair, US News and World Report Rankings Working Group, Indiana University Bloomington
- 2016-Present Vice Provost for Finance and Strategy, Indiana University Bloomington
- 2016 Chair, Global Corp Task Force (a campuswide service-oriented initiative for students)

2015-Present Chair, Vice Provost Leadership Group, Indiana University Bloomington (team of vice provosts with student-facing services)

2015-Present Chair, Fiscal Sustainability Committees (multiple school-specific committees including School of Optometry; Jacobs School of Music; School of Informatics, Computer Science and Engineering; and The College of Arts and Sciences as well as its schools: Hamilton Lugar School of Global and International Studies, Eskenazi School of Art, Architecture and Design, and The Media School)

2015-Present Member, Indiana University Bloomington Provost's Deans Committee

2015-Present Member, Indiana University Bloomington Provost's Vice Provosts Committee

2015-Present Board of Trustees, member, IU Consulting and Research India Private Limited Company (IU's first Global Gateway facility)

2015-2020 Co-Chair, Steering Council, IU Decision Support Initiative

2015-2016 Chair, Search Committee for Dean of IU School for Informatics and Computer Sciences

2015 Chair, Indiana University Bloomington Lead, Indiana University Online Team

2015-2016 Board of Trustees, member and Treasurer, The Kinsey Institute, Indiana University

2013 Chair, Indiana University Bloomington Strategic Planning

2012-2016 Vice Provost for Strategic Initiatives, Indiana University Bloomington

2004-2009 Chair, Undergraduate Program, Kelley School of Business

1998-2003 Chair, Operations and Decision Technologies Department

2001-2003 Kelley Direct Policy Committee

2002 Senior Lecturer Policy Committee

2001 Global Programs Committee

1998 Doctoral Policy Committee (School level)

1998 Leaders Roundtable Steering Committee (Department Level)

1998 Chair Business Process Management Concentration Redesign Committee (Department Level)

1998-1997	Advisor, Operations and Decision Technologies Club (Department level)
1997	Doctoral Policy Committee (School level)
1994-1995	Member, Doctoral Policy Committee (School level)
1990-1995	Mentor, Minorities in Business (School level)
1988-1995	Advisor, Computer Information Systems (CIS) Club (Department level)
1990-1993	Member, Teaching Excellence Committee (School level)
1991-1994	Advisor, University Division Freshman (University level)
1993-1994	Member, Research Policy Committee (School level)
1993	Chair, CIS Undergraduate Curriculum Redesign Committee (Department level)
1989	Member, Committee for Merging of Decision Sciences and Management Information Systems Departments (School level)

Consulting:

2016-Present	Curriculum, Sustainability and Accreditation Advisory Board, FLAME University, Pune, India
2020	Advisory Budget Panel, Responsibility Center Management (RCM) Incentive-based Budget Methodology, University of Tennessee Knoxville
2019	Advisory Budget Panel, Responsibility Center Management (RCM) Incentive-based Budget Methodology, University of Nebraska Lincoln
2016	Advisory Budget Panel, Responsibility Center Management (RCM) Incentive-based Budget Methodology, University of North Carolina Chapel Hill
2015	Program review of Master of Engineering Management, United Arab Emirates University
2010-2015	Program review of School of Business, South East European University (SEEU), Tetovo, North Macedonia
2003, 2014	Program review of Mendoza College of Business, Notre Dame, South Bend
2003	Strategic Part Reduction Initiative, Hamilton and Sundstrand, United Technology Corporation
1999	Decision Support System for Chemical Combination Selection, Dupont, Wilmington, DE

- 1995 Bulk Plant Location and Distribution Problem, Country Mart Coop, Indianapolis, IN (with Victor Cabot)
- 1992 Courier Routing Problem, South East Bank, FL (with Chris Zappe)
- 1991 Salesman Calling Problem, Bristol-Meyers Evansville, IN (with Don Harnett)

HONORS AND OTHER APPOINTMENTS

Professional:

Visiting Fellow, Claremont Graduate University, Claremont, California, August 2021-January 2022

Visiting Professor, SKK Global School of Business, Seoul, South Korea, annually 2003 to 2010

Outstanding Doctoral Alumni Award, Mays School of Business, Texas A&M University, College Station, Texas, 2007

Guest Editor of special issue of *Mathematical and Computer Modeling* on Decision Support Models, December 2003

Guest Editor of Special Issue of *Annals of Operations Research* on Artificial Intelligence Applications in Business, January 1998

Visiting Professor of Managerial Economics and Decision Sciences, Kellogg School of Graduate Management, Northwestern University, Evanston, IL, August 1995 - June 1996

Guest Editor of Research Focus of Decision Sciences on Supply Chain Management for 21st Century, special edition of *Decision Sciences Journal*, 1998

Member, Editorial Board, *Applied Intelligence*, 1997 to 2007

Co-Chair, Symposium on Supply Chain Challenges: Design and Management in the 21st Century, May 1996, Indiana University, Bloomington, IN

Track Chair, Quantitative Methods/Statistics, DSI Third International Meeting, June 1995, Pueblo, NM

Member, Review Board of the *Journal of Applied Intelligence*, 1996

Guest Editor of special issue of *Mathematical and Computer Modeling* on Decision Support Models, March 1993

Chair, Symposium on Artificial Intelligence Application in Business, November 1993, University of Virginia, Charlottesville, VA

Co-Chair, Symposium on Multicriteria Decision Making and Decision Support Models,

sponsored by Defense Resources Management Institute, Monterey, CA, November 1992

Visiting Lecturer, Executive Education Program at SRC Center, Bled, Slovenia, June 1992, one week of lectures

Visitor, University of Ljubljana, Slovenia, June 1991, two weeks of lectures

Invited presentation, Vector Processing Approach to Constrained Network Problem, University of FL, Gainesville, February 1989

Visitor, National Center for Supercomputing Application, Champaign, IL, July 1988

Invited participant, Boeing Supercomputer Summer Institute, Seattle, WA, June 1986

Teaching Awards:

- 2021 Indiana University Bloomington Provost's Medal
- 2019 Indiana University Bicentennial Medal
- 2018 Decision Sciences Journal of Innovative Education - DSJIE's Best Teaching Brief Award for 2018
- 2011 Innovative Teaching Award, Kelley School of Business
- 2009 Titled Professor, Jack R. Wentworth Professor of Operations and Decision Technologies
- 2005 Fulbright Award, Croatia
- 2005 Kelley Direct Teaching Award
- 2001 Undergraduate Program Innovative Teaching Award, Kelley School of Business
- 1999 Undergraduate Program Innovative Teaching Award, Kelley School of Business
- 1998 Nominated for Harry C. Sauvain Undergraduate Business Teaching Excellence Award
- 1997 Inspiration and Guidance Award, Business Doctoral Student Association
- 1997 Teaching Excellence Recognition Award, Indiana University
- 1994 Alpha Kappa Psi Alumni Award for Teaching Excellence in D&IS
- 1992 Harry C. Sauvain Undergraduate Business Teaching Excellence Award
- 1991 Alpha Kappa Psi Alumni Award for Teaching Excellence in D&IS

- 1991 Inspiration and Guidance Award, Business Doctoral Student Association
- 1991 Distinguished Professor, IU MBA Student Association

Grants:

- 2006 Hewlett Packard Grant \$125,000
- 2005 P&G Grant \$150,000
- 2005 SAP AG Grant \$25,000
- 2005 Manhattan Associates \$100,000
- 2005 Automsoft, Inc. \$100,000
- 2003 SAP Curriculum Grant \$225,000
- 2002 .NET Curriculum Grant for Business Process Management \$175,000
- 2000 P&G Curriculum Grant for E-Enterprise Institute \$150,000
- 1998 Strategic Directions Charter Grant worth \$150,000
- 1998 SAP Software Grant worth \$992,750
- 1998 Indiana University School of Business Summer Research Grant (Competitive)
- 1997 Indiana University School of Business Summer Research Grant (Competitive)
- 1996 Dow Course Development Grant
- 1995 Indiana University Summer Faculty Fellowship (Competitive)
- 1995 School of Business Summer Research Grant (Competitive)
- 1994 Paragon Super Computing Time Grant, San Diego Super Computing Center
- 1994 Indiana University School of Business Summer Research Grant (Competitive)
- 1993 Indiana University School of Business Summer Research Grant (Competitive)
- 1992 Baxter Healthcare Software Grant
- 1991 Indiana University Overseas Travel Grant
- 1991 Indiana University School of Business Summer Research Grant (Competitive)
- 1990 Indiana University Summer Faculty Fellowship (Competitive)
- 1990 Indiana University School of Business Summer Research Grant (Competitive)
- 1990 Cornell National Supercomputing Facility IBM 3090/600E computer time
- 1989 Indiana University School of Business Summer Research Grant (Guaranteed)
- 1988 Indiana University School of Business Summer Research Grant (Guaranteed)
- 1988 National Center for Supercomputing Applications: CRAY X-MP Computer Time
- 1986 CRAY Research: CRAY-2 Computer Time

Enrichments:

- 1996 Participant, Parallel Processing Workshop at Argonne National Laboratory
- 1994 Participant, Advanced Techniques at Cornell National Supercomputing Facility
- 1993 Participant, Meta Center Workshop on Supercomputing, San Diego Supercomputer Center, University California San Diego
- 1986 Participant, Boeing Corporation, Supercomputing Workshop, NSF Sponsored

Research Interests:

Higher Education Financial Models, Artificial Intelligence, Enterprise Resource Planning, Supply Chain Management, Network Optimization, Supercomputing, Decision Support System, Multi-Criteria Optimization, Global Optimization, Model Building

Professional Affiliations and Activities:

Member, Operations Research Society of America
 Member, The Institute for Operations Research and the Management Sciences
 Member, The Decision Sciences Institute

Refereed for:

Management Science, European Journal of Operations Research, Applied Intelligence, Operations Research, Naval Research Logistics, Annals of Operations Research Networks, Decision Sciences, Socio-Economic Planning Sciences Productions and Operations Management, IEEE Transactions, Computers and Operations Research, Computers and Mathematical Modeling

Dissertation Committees:

Chair:

- 2004 Steven Mahar, Operations and Decision Technologies
 2003 Jamison Day, Operations and Decision Technologies
 2002 Bradley Anderson, Operations and Decision Technologies
 2001 Elliot Bendoly, Operations and Decision Technologies
 2000 Kelly Nichols, Operations and Decision Technologies
 1996 Anthony Ross, Decision and Information Systems
 1995 Rob Easley, Decision and Information Systems
 1994 Sue Helm, Decision and Information Systems
 1992 Kathryn Wilson, Decision Sciences

Co-Chair:

- 2008 Vikram Tiwari, Operations and Decision Technologies
- 1992 Daniel Conway, Decision and Information Systems

Member:

- 2003 Philip Daniel Wright, Operations and Decision Technologies
- 2003 Srinivas Sridhar, Marketing
- 2000 Jamil Iqbal, Marketing
- 1998 Mark Leung, Operations and Decision Technologies
- 1998 Gerald Aase, Operations and Decision Technologies
- 1993 Rob Ruben, Operations Management
- 1992 Tim Brown, Operations Management
- 1992 Sami Baroum, Operations Management
- 1992 Mike Gorman, Economics
- 1992 Dong-Kwon Min, Operations Management
- 1992 Marty Crossland, Decision and Information Systems
- 1991 Daesoo Kim, Operations Management
- 1991 Chris Keller, Decision Sciences
- 1990 Won Jun Lee, Decision Sciences
- 1990 Li-Lian Gao, Operations and Systems Management
- 1990 Kurt Bretthauer, Decision Sciences
- 1990 Jaydeep Balakrishnan, Operations and Systems Management
- 1990 Bud Roychoudry, Operations and Systems Management
- 1990 Dong Wok Shin, Operations and Systems Management

Program Development:

- 2006 Undergraduate Global Immersion Program, (India, China, Korea, Ghana)
- 2005 Kelley/SKK Graduate School of Business Joint MBA Program (Seoul, S. Korea)
- 1998 Business Process Management Undergraduate Major

Teaching Assignments:

Undergraduate Courses:

- K217* Business Process Tools - Fall 1996, Spring 1997, Fall 1997, Spring 1998
- K302 Introduction to Management Science - Fall 1991
- K310* Data Structure and Simulation - Fall 1994 (3 sections) and Spring 1995
- K327 Deterministic Models in Operations Research - Fall 1987, Spring & Fall 1988, Spring 1989
- K410* Decision Support Systems - Spring 1995
- K427* Computer Implementation Techniques/Data Structures - Fall 1989, Spring and Fall 1990 through 1993, and Spring 1994
- K490 Special Topics in COBOL - Spring 1994

MBA/Doctoral Courses:

- K507 Intro to Spreadsheet Modeling - Fall 2014 and 2017
- K507 Basic Decision Modeling - Spring 2001 and 2002
- P507 Enterprise Resource Planning - Spring 2001, Fall 2002
- T510 Decision Support Systems - Fall 1996, 1997, 1999 and 2000

- K519 Linear Programming and Other Optimization Methods - Fall 1989
- K520 Introduction to Operations Research - Spring semesters 1988 through 1993
- C520 Decision Support Systems - Spring and Fall 2001 through 2012
- C535 Developing Value through Business Analytics Applications - Fall 2014
- P561 Supply Chain Management - Fall 1999 and 2000

Doctoral Courses:

- K601 Operations Research I - Fall 1995 and 1997
- K610 Mathematical Programming - Fall 1988
- K611 Doctoral Seminar/Combinatorial Optimization - Fall 1990 and 1992 and Spring 1994
- K635 Special Topics in Decision Sciences - Spring 1997, 2000 and 2001

**Developed course and readings package*
